CONTACT DETAILS

Please let us know in the school office if any of your contact details change so that we can alter them on our system. This is particularly important for mobile numbers that can change quite regularly, but we do also have a legal responsibility to ensure that all the information we hold on each family is up to date and correct.

FIRE SERVICE

We had a lovely morning with a representative from the local fire service last Friday. The children really enjoyed hearing about life in the fire brigade, and took part in discussions about the dangers of fire and keeping themselves and others safe.

TRANSITION VISIT

As part of our preparation for transition to secondary school, Mr Godwin from South Molton Community College visited our Year 6 pupils to talk about what they can expect. Further visits and transition activities will take place during the coming months for all our oldest children, whichever secondary school they have chosen.

CLIMBING CLUB

Climbing Club will be commencing on Friday 1st February at Rock & Rapid. Cost will be no more than £6 per session (probably less depending on numbers). Please contact the office if you would like your child to participate.

BISHOPS NYMPTON WILDLIFE RANGERS (WILDLIFE CLUB)

Welcome to our Wildlife Club. It's been fantastic hearing the Rangers being so enthusiastic about our native wildlife and conservation. We have looked at the different animal groups and identified different species within those groups and written our own Ranger Charter. Going forward we will be working toward the **RSPB Wild Challenge Awards** to really give the Rangers something to work for and get excited about. In the coming weeks we will be making bird feeders, going on a bug safari and much more besides. If parents could retain empty yoghurt pots and 1 litre plastic bottles for some of our upcoming projects we would be very grateful.

Just a reminder that this coming weekend is the **RSPB Big Garden Bird Watch** and we would be grateful if you and your family could take part. Please spend an hour looking at the birds in your garden, tally up the different varieties and send the information into school by Friday morning so we can collate the information and get our another "discover nature" task completed. For further information about the RSPB Big Garden Birdwatch please visit rspb.org.uk

Many Thanks, Mr Govier
