SCHOOL ACCOUNTS

Please could we request that all school accounts are brought up to date before the end of the Devon County Council end of financial year on 31st March? Please contact the office or check on Tucasi (School Cash Office) if you are unsure of your account status. Thank you

EXMOOR CHALLENGE

Well done to everyone who attended the first Exmoor Challenge training walk last Saturday. There was a great turnout and everyone did really well on our first excursion for this year. Details of the next training session (on 23rd March) will be coming home early next week, so do look out for them if you are interested in joining us.

RED NOSE DAY

As Years 4 & 5 have been away at Heatree this week, we will be celebrating Red Nose Day on Friday 22nd March. The children are welcome to dress up as their favourite famous person.

SPORTS FOR CHAMPIONS

A reminder that the Olympic athlete, Rob Mitchell, will be in school on Friday 29th March to put the children through their athletic paces and talk to them about his sporting journey. Sponsor forms for the event have been sent home previously, and we would remind you that these are needed back by **Wednesday 20th March** please. This is to help fund the visit, provide additional sports equipment for school and assist other aspiring athletes with their sporting career.

HEATREE

Our intrepid children from Years 4 & 5 braved the inclement weather to attend the residential on Dartmoor this week. We are looking forward to hearing all about their adventures; do look on the school blog to see some pictures of them enjoying the activities. Thanks to Mr Gurney, Mrs Jones and Mr Graves for accompanying the children - hopefully they managed at least some sleep!

SCIENCE EVENT AT BARNSTAPLE

Please see overleaf for details of a fun Science event being held at Barnstaple library this Saturday (tomorrow!). Details arrived too late for last week's newsletter, so hopefully places are still available if you want to attend.
