

UPDATE

SUMMER READING CHALLENGE

The Summer Reading Challenge takes place every year during the summer holidays. We welcomed librarian Jane Petch into school last week, to introduce the challenge to the children. Further details can be found at <https://summerreadingchallenge.org.uk/>

LONDON RESIDENTIAL - YEAR 6

Some Year 6 children from both schools have been enjoying life in London over the last couple of days. Reports from the capital say that they are having a great time - very hot & tired but enjoying the sights and the experiences. Photographs will be posted on facebook and the school blog so do take a look.

SPORTS DAY

Sports Day will be on Tuesday 9th July at 1.30pm. The PTA will be selling cakes and refreshments as well as holding a raffle. They would appreciate any Raffle Prizes and/or cake donations. Please bring any donations to the school office

SUNSCREEN

Now the warmer weather finally seems to have arrived, please make sure your child is wearing sunscreen and brings a hat into school. We do hold some sunscreen in school for emergency 'topping up', and the children apply this themselves under adult supervision. For our youngest children, staff may assist with application. If you would like your child to have their own sunscreen in school, please send in a labelled supply. If there is a reason you do not want your child(ren) to have sunscreen applied, please let us know.

SOUTH MOLTON CARNIVAL OF MUSIC

Some of our children are taking part in the South Molton Schools 'Carnival of Music' next Wednesday evening. Tickets are now on sale at <https://www.ticketsource.co.uk/carnivalofmusic/t-doaply> or available on the door for £5. Under 16's are free. Doors open at 6.30pm, with the performance starting at 7.00pm. Seating is very limited at the venue and is only provided for the performers, so all tickets holders will be required to bring their own picnic chairs or similar in the South Molton tradition!

Hopefully some of you can go along and support the children whilst enjoying a great night of singing.

BUSINESS WEEK

We hope plenty of you can come into school next Friday afternoon for the Year 5 and 6 Business Week. Groups of children have used a small 'start up' fund to begin a business with the aim of raising additional funds. They have had to plan, design, organise and advertise their business. Do come along and see their efforts - bring some cash!

CLASS 2 - FIRE OF LONDON RE-ENACTMENT

Class 2 will be taking part in a (scaled-down) re-enactment of the Fire of London at 11.30am on Monday 8th July. Parents of Class 2 children are very welcome to attend.

PTA

The PTA would like to know if anyone has a large BBQ, a freezer or a fridge that could be used for the Summerfest event. Please contact Kate Pincombe for further information.

FUTURE DATES & EVENTS

These are subject to change with new dates being added, so please keep checking

July		Mon 15th	Open Afternoon
